Roblox was created by a company called Ellation. According to Wikipedia, Ellation is a gaming production company based in San Francisco, California. They started out with games that were mainly for children but now have many different types of games in which you can play with your friends and family. Some of the games have mini-games where you can buy special items or earn coins in order to unlock new areas or items. The idea behind robux is that players can earn robux by playing and participating in the game universe. With this system, players do not need to spend money on anything; they just collect more robux as they play in the game. Robux is the virtual currency of Roblox and can be bought in packages or earned in-game.

Free Robux Codes Exploit Sites These are sites that use exploits in the game coding to allow players to get free Robux without needing to use a code. Many of these sites also have viruses/spyware/malware inside them, so be careful when visiting them. Most of these websites are created by people who do not know how to program and may be extremely buggy or cause your computer harm.

According to the ROBLOX website, there are over 15 million registered and active players. Like many other user-generated content sites for young children, ROBLOX encourages users to be safe and responsible on its site. It also has a moderation system that allows members of the community to report profiles and comments that may be inappropriate or offensive. Parents can also choose what games their kids can play, or even disable chat so other players can't talk to their child. ROBLOX has also introduced a new feature called "Guardians" which works like parental controls on most software. It allows players to set a game rating they are comfortable with, so that they can choose between games.
